

## 2013 TRAIL MONITORING REPORT

---

### 1. General information

Trail segment:

Location (street of access, town):

Date(s) of visit(s):

Current landowner:

Current landowner's contact information:

Other contacts:

1. **Indicate the extent and location of any plans or future activities the land owner mentioned with respect to the trail (if applicable).**
2. **Describe, in detailed narrative form, where you went on the trail.**
3. **Did you notice anything that suggested concern, such as evidence of motor vehicles having used the trail?**
4. **Are any portions of the trail posted against hunting, motorized vehicles, or other uses? If so, describe.**
5. **List man-made changes observed (i.e. rutting, littering, etc.). Describe the extent and location of the change, including rough measurements, attached maps, photographs, or sketches if you can.**

6. List natural changes observed (i.e. blowdowns, muddy spots, etc.). Note the location and extent of the changes, and attach maps, photographs, or sketches if you can.
  
7. Describe any sections of trail that are not clearly marked (include a map or drawing as reference if need be).
  
8. List any other observations or comments, management needs, information requests, etc.

Please indicate any attachments to this report. Provide a description and map showing where on-site photographs were taken or illustrations were made, if applicable.

- |                                   |  |
