

# Create your conservation legacy

## Join the Monadnock Forever Society

#### You can continue to protect and care for the Monadnock region beyond your lifetime.

To do this, you are invited to join the Monadnock Forever Society by making a planned gift to the Monadnock Conservancy.

By planning for tomorrow today, you are ensuring that the land you love will be protected forever. By naming the Monadnock Conservancy in your will or trust, you can do more to protect this treasured region.

**66** By planning for the future, I know that protecting the natural beauty and agricultural heritage of the Monadnock region will be a part of my legacy. **99**

## Ways to Give

There are several options for making a long-term gift to the Monadnock Conservancy. Your financial advisor or attorney can help you determine which option makes the most sense for you. Some examples include:

- You designate an asset or percentage of your estate to the Monadnock Conservancy by including a bequest in your will or trust.
- You can name the Monadnock Conservancy as a beneficiary of your IRA, 401k, 403b, life insurance policy, or other qualified gift plan.
- You can establish a charitable gift annuity that will provide you tax relief and income while you're living, then benefit the Monadnock Conservancy once you're gone.

Planned gifts of all sizes contribute to the future protection of the land you love.
